

Administrative Organization Plan

The authority of the Board shall generally be exercised through the superintendent. However, nothing in these administrative procedures shall be construed as preventing or limiting the Board from acting otherwise at its discretion.

The superintendent shall have authority to organize and reorganize lines of authority and administrative staff as he/she determines appropriate, subject to Board review and subject to any other Board directives or requirements.

Recoded and adopted: July 17, 2019

LEGAL REF.: C.R.S. 22-32-109 (1)(b) *(Board duty to adopt policies necessary and proper for the efficient administration of the district)*
