

Administrative Staff Assignments and Transfers

A teacher who holds an administrative position may be assigned to another position for which he or she is qualified if a vacancy exists in such a position and, if so assigned, with a salary corresponding to the position. If the transfer is to another school in the district the transfer is subject to the consent of the receiving principal and is subject to approval of the superintendent and Board of Education.

The superintendent may consider the years of service accumulated while the teacher was occupying the administrative position when determining where to place the teacher on the salary schedule.

The three consecutive school years of demonstrated effectiveness and continuous employment required for the probationary period is not deemed interrupted if a probationary teacher accepts the position of superintendent. However, the period of time during which a probationary teacher serves in such capacity will not be included in computing the probationary period.
