

## **Fundraising Activities/Contests for Students**

Fundraising shall be subject to the following requirements:

### **Non-school organizations**

Fundraising by non-school organizations (including contests where students must solicit financial support) shall not be conducted under school sponsorship or during school time.

### **Student clubs and organizations**

Fundraising by student clubs and organizations shall be subject to the following requirements:

1. Student clubs and organizations may collect dues from members with approval of the building principal.
2. All student fundraising activities are subject to the approval of the building principal.
3. Door-to-door soliciting by students is discouraged.
4. Fundraising planning and/or activities shall not be conducted during class time unless otherwise approved by the principal.

### **Contests for students**

Student contests shall be subject to the following requirements:

1. Classroom contests shall be directly related to the curriculum at that particular level unless otherwise approved by the principal.
2. Contests sponsored by outside organizations must obtain prior approval from the building principal.
3. Contests sponsored by school clubs must be conducted outside of class time and have prior approval from the building principal.

Adopted: prior to 2018

Revised and recoded by the superintendent: May 22, 2019
