

## **Physical Examinations of Students**

All students who participate in extracurricular athletics shall have an annual, individual physical examination at the student's expense. Proof of such examination, along with the recommendation of the examining physician for the particular sport the student intends to participate in, shall be submitted to the respective school prior to participation in athletics.

Parents/guardians shall be encouraged to have their children physically examined prior to entering school and again prior to the fourth, seventh and tenth grades. A dental examination shall also be encouraged.

Students may be excused from physical education activities and from curricular requirements relating to physical education activities upon the statement from a physician or other licensed health care professional that such participation would be injurious to their health.

Teachers shall be alert to the general well-being of students and shall refer any questionable situations to the school principal.
